## Scholarship Program Information

### **About the Upper Midwest Flute Association**

The Upper Midwest Flute Association (UMFA) is a non-profit organization based in the Twin Cities that aims to promote all aspects of flute-playing across the region. As part of this mission, we are excited to launch our scholarship fund, which will provide financial support for motivated local flute students in their musical studies. More information about the scholarship program is available at <http://umfaflutes.org/scholarships>.

### **The Scholarship Program**

UMFA is excited to announce the development of a new scholarship program and instrument drive to support local flute students in their music studies. Scholarships will help to cover the costs of private lessons or summer music camps for students who demonstrate financial need and dedication to their studies. Scholarships will be available for students of all levels, from beginners to advanced students. To provide further support for students, UMFA is building partnerships with the MusicLink Foundation and with Hopewell Music Cooperative North.

### **The Instrument Drive**

Instrument donations are welcomed at any time throughout the year. UMFA's partner organizations, the MusicLink Foundation and Hopewell Music Cooperative North, will be taking instrument donations of any kind (flutes and non-flutes) at the Marathon Flute Concert on Saturday, October 27th. A designated number of flutes will be reserved for MusicLink students to be available to those with UMFA scholarships, and the rest of the instruments will go to the Hopewell Music Cooperative North.

### **How You Can Help**

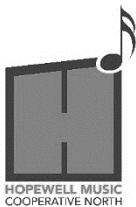

We are currently accepting monetary donations to build the scholarship fund as well as instrument donations (flutes, piccolos, and non-flute instruments) to provide instruments for our partner organizations, the MusicLink Foundation and Hopewell Music Cooperative North.

All donations are tax-deductible and will go directly into the UMFA Scholarship Fund. Checks may be made payable to the Upper Midwest Flute Association and mailed to Upper Midwest Flute Association, 6324 Decatur Ave N, Brooklyn Park, MN 55428. On the "memo" line, please include "Scholarship donation – *performer's name*."

### **UMFA's Partner Organizations**

**The MusicLink Foundation** is a national organization with a Minnesota chapter that helps to support low-income music students with the costs of music, instrument loans, musical supplies, and summer camps. UMFA's scholarship students may register with MusicLink in order to borrow flutes and receive extra financial support in their studies. A designated number of flutes will be collected for MusicLink at UMFA's instrument drive.

**Hopewell Music Cooperative North** (HMCN) provides underserved students access to affordable and high quality private lessons, ensembles, and courses as well as to safe and vibrant performance opportunities for community members. Hopewell commits itself to community building through offering instruction in music to ALL members of the community of North Minneapolis who want to participate regardless of ability or circumstances. HMCN will be accepting instrument donations during the UMFA Flute Marathon Concert and also accepts donations year-round.
